USPA NEWS - From the makers of Sharknado, comes a movie that crosses zombies from the Titanic disaster with a modern twist.

Tubi has released a trailer for The Asylum's latest horror film Titanic 666 which sees the 'Titanic 3' setting sail on the 110th anniversary of the launch of the original ocean liner, only for the passengers to begin experiencing dark events and paranormal encounters during its maiden voyage. Tubi is an American, over-the-top content platform and ad-supported streaming service owned by Fox Corporation.

After a mammoth cruise ship sails over the site of the Titanic's disaster, dark and deadly events start to occur on board. As the ship's captain investigate the tragic occurrences, it becomes clear that the passengers from the original Titanic have returned. The movie is directed by Nick Lyon, and Titanic 666 stars AnnaLynne McCord, Lydia Hearst, Jamie Bamber, Keesha Sharp, Joseph Gatt, Derek Yates, Michael J. Chen, Gigi Gustin, Jhey Castles, Kendall Chappell, Maurice Johnson, and Giovannie Espiritu.

Titanic 666 sets sail on Tubi on April 15th, exactly 110 years after the sinking of the original ship.
